PROFIT WARNING

This announcement is made by Kwong Luen Engineering Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group and the information currently made available to the Board, the Group is expected to record a decrease in its consolidated profit attributable to owners of the Company to approximately HK\$20.0 million to HK\$30.0 million for the year ended 31 March 2022, as compared to approximately HK\$45.4 million for the year ended 31 March 2021 (if excluding the non-recurring listing expense).

Such expected reduction in net profit is mainly attributable to a decrease in gross profit margin for the Group’s business due to (i) the increase in cost of sales as a result of increase in price of the raw materials; and (ii) delays in project schedule due to the fifth wave of outbreak of COVID-19 attributable to the SARS-CoV-2 Omicron variant since January 2022.

As the Company is still in the process of finalising the annual results of the Group for the year ended 31 March 2022, the information contained in this announcement is based solely on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company’s auditors. The above information may be subject to further adjustments upon final review by the Board and the Company’s auditors. Shareholders and potential investors are advised to refer to the details in the annual results of the Group for the year ended 31 March 2022, which is expected to be published in late June 2022 in accordance with the Listing Rules.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
